2023-2024 Class Offerings – OPEN ENROLLMENT 2/1/23 THROUGH 2/1/24

Preschool Classes- Children must be 3 years old by 9/1/23. The children will work toward gaining skills to help with kinder readiness. Our 1:5 adult / child ratio will ensure each child receives individualized attention. Children will take part in daily cognitive activities, sensory activities, art, as well as continue to develop their self-help skills and the courage to speak out in a classroom setting. Children will have opportunities for cognitive, spiritual, social and emotional development. Two class options offered. (Room P1, MWF or T/TH) **Child must be Potty Independent. (M,W,F) or (T, Th) – (9am-12pm) \$220/ \$170 per month**

Younger Preschool Class- Children must be 2 years old by 9/1/23. This class is an introduction to preschool with light curriculum. The class is play based and provides children with an environment to explore and learn. Our 1:5 adult / child ratio will ensure each child receives individualized attention. Class focuses on messy sensory art experiences, social interactions, songs and stories. One class option. (Room P3, MWF) **Child must be Potty Independent. (M,W,F) 9am -12pm \$220 per month**

PreK Class- Children must be 4 years old by 9/1/23, and may turn 5 or 6 years old during the school year, similar to the district's TK program. The class will be taught by a fully qualified teacher and will cover kinder readiness. Our 1:5 adult / child ratio will ensure each child receives individualized attention. The class will develop an inquiry based approach, where children help design the curriculum themes that will encompass deeper understanding of literacy based projects, faith based learning, science, art, sensory and math activities. We have one class option. (Room P2, T-Fri) **Child must be Potty Independent. (Tues-Fri) (9am-12pm) \$355 per month**

Non- Potty Trained Class: Must be 2 years old by 9/1/23. This class will help prepare children for preschool. Our 1:5 adult / child ratio will ensure each child receives individualized attention.
